

AMPOWER REPORT 2022

# Additive Manufacturing Market Report

## THE INDEPENDENT MARKET & TECHNOLOGY SOURCE

Analytics of the international market size segmented by technology, industry, region and material  
Covering all leading user industries • Supplier and user perspective • Representing more than 95% of the installed system base • Global database of system, service and material suppliers as well as machines with more than 2,400 entries • Comprehensive cost calculation tool • Catalogue with more than 100 industrial applications

# Table of contents

Preface: Back to growth .....	3
Table of contents .....	4
Table of figures .....	7
Methodology .....	9
Data acquisition.....	9
Analysis .....	9
Period of interest.....	10
Region of interest .....	10
Respondents.....	11
Market player categorization .....	12
Segmentations .....	13
Entire Additive Manufacturing market size .....	16
Metal and polymer AM market size 2021 and 2026.....	17
Regional distribution of system sales revenue in 2021 and 2026 .....	18
System sales revenue by industry 2021 .....	19
System sales revenue by technology 2021 and 2026 .....	20
Metal AM market size.....	22
Metal market size and growth 2021 and 2026.....	23
Metal market growth 2021 and 2026 – supplier vs. buyer.....	24
Metal AM sold units 2021 and 2026 – supplier vs. buyer.....	25
Market comparison with CNC.....	27
Metal AM market by region.....	28
Regional metal market of buyers 2021 and 2026.....	28
Regional metal market of system sales 2021 and 2026.....	30
Regional market of metal system sales by countries 2021 and 2026.....	32
Location of metal system suppliers by technology 2021 and 2026 .....	33
Location of metal system suppliers of installed Powder Bed Fusion machines 2021 and 2026 .....	34
Metal part manufacturing supplier revenue in AMER and EMEA by industry 2021 and 2026 .....	35
Metal AM market by technology.....	36
Metal system sales by technology 2021 .....	37
Installed metal base by technology 2021 .....	39
Metal technology market share 2021 and 2026.....	40
Metal system sales by technology 2021 and forecast 2026 – supplier vs. buyer.....	41
Installed base by metal technology 2021 and 2026 – supplier vs. buyer forecast .....	43
Laser Powder Bed Fusion platform size in 2021 and forecast 2026 – supplier vs. buyer.....	45
Number of lasers in Powder Bed Fusion machines 2021 and forecast 2026 – supplier vs. buyer .....	46
Metal AM market by industry .....	47
Metal system sales by industry 2021 .....	47
Metal system sales by industry 2021 and 2026 .....	48
Sold metal systems by industry 2021 .....	50
Installed metal base by industry 2021 and 2026.....	51
Metal AM market by material.....	52
Metal feedstock use 2021 and 2026 .....	53
Metal feedstock revenue 2021 and 2026 .....	54
Metal feedstock use by alloy 2021 and 2026 .....	55
Metal material use by alloy and industry 2021 and 2026.....	57
Metal Additive Manufacturing degree of industrialization .....	59
Metal system utilization .....	60
Purpose of metal parts.....	61
Polymer AM market size .....	64
Polymer market size and growth 2021 and 2026.....	65
Polymer market growth 2021 and 2026 – supplier vs. buyer .....	66

Polymer AM sold units 2021 and 2026 – supplier vs. buyer.....	67
Market comparison with Injection Molding.....	69
<b>Polymer AM market by region.....</b>	<b>70</b>
Regional polymer market of buyers 2021 and 2026.....	70
Regional market of polymer system sales 2021 and 2026.....	72
Regional market of polymer system sales by countries 2021.....	74
Location of polymer system suppliers by technology 2021 and 2026.....	75
Polymer part manufacturing supplier revenue by region and industry 2021 and 2026.....	76
Polymer system supplier revenue by region and industry 2021 and 2026.....	77
<b>Polymer AM market by technology.....</b>	<b>78</b>
Polymer system sales by technology 2021.....	79
Installed polymer base by technology 2021.....	81
Polymer technology market share 2021 and 2026.....	82
Polymer system sales by technology 2021 and supplier forecast 2026.....	83
Installed base by technology 2021 and forecast 2026 - supplier vs. buyer.....	86
Sold polymer systems by unit price category 2021 and 2026.....	88
Location of suppliers of sold polymer machines 2021 and forecast 2026.....	90
<b>Polymer AM market by industry.....</b>	<b>91</b>
Polymer system sales by industry 2021.....	92
Polymer system sales by industry 2021 and 2026.....	93
Sold polymer system by industry 2021.....	95
Installed polymer base by industry 2021 and 2026.....	96
<b>Polymer AM market by material.....</b>	<b>97</b>
Polymer feedstock use 2021 and 2026.....	98
Polymer feedstock by material and type 2021 and 2026.....	99
Polymer feedstock by material and industry 2021 and 2026.....	101
<b>Polymer AM degree of industrialization.....</b>	<b>103</b>
Polymer system utilization.....	104
Purpose of polymer AM parts.....	105
<b>Metal AM technology report.....</b>	<b>108</b>
Technology overview.....	108
Technology deep dives.....	109
Metal AM Maturity Index.....	110
Current metal machine and technology developments.....	111
