

AMPOWER REPORT 2023

Additive Manufacturing Market Report

THE INDEPENDENT MARKET & TECHNOLOGY SOURCE

Analytics of the international market size segmented by technology, industry, region and material
Covering all leading user industries • Supplier and user perspective • Representing more than 90% of the installed system base • Global database of system, service and material suppliers as well as machines with more than 2,400 entries • Catalogue with more than 100 industrial applications

Table of contents

Preface: Record revenue in uncertain times	3
Table of contents	4
Table of figures	7
Methodology	10
Data acquisition.....	10
Analysis	10
Period of interest.....	11
Region of interest	11
Respondents.....	12
Market player categorization	13
Segmentations	14
Entire Additive Manufacturing market size	17
Metal and polymer AM market size 2022 and 2027	18
Regional distribution of system sales revenue in 2022 and 2027	19
System sales revenue by industry 2022	20
System sales revenue by technology 2022 and 2027	21
Metal AM market size.....	23
Metal market size and growth 2022 and 2027	24
Metal systems market growth 2022 and 2027 – supplier vs. buyer.....	25
Metal AM sold units 2022 and 2027 – supplier vs. buyer.....	26
Market comparison with CNC.....	28
Metal AM market by region	29
Regional metal market of buyers 2022 and 2027.....	29
Regional metal market of system sales 2022 and 2027	31
Regional market of metal system sales by countries 2022 and 2027	33
Location of metal system suppliers by technology 2022 and 2027	34
Location of metal system suppliers of installed Powder Bed Fusion machines 2022 and 2027	35
Metal part manufacturing supplier revenue in AMER and EMEA by industry 2022 and 2027	36
Metal AM market by technology	37
Metal system sales by technology 2022	38
Installed metal base by technology 2022	40
Metal systems sales revenue by technology 2022 and 2027	41
Metal system sales by technology 2022 and forecast 2027 – supplier vs. buyer.....	42
Installed base by metal technology 2022 and 2027 – supplier vs. buyer forecast	44
Laser Powder Bed Fusion platform size in 2022 and forecast 2027 – supplier vs. buyer.....	46
Number of lasers in Powder Bed Fusion machines 2022 and forecast 2027 – supplier vs. buyer	47
Metal AM market by industry	48
Metal system sales by industry 2022	48
Metal system sales by industry 2022 and 2027	49
Sold metal systems by industry 2022.....	51
Installed metal base by industry 2022 and 2027.....	52
Metal AM market by material.....	53
Metal feedstock use 2022 and 2027	54
Metal feedstock revenue 2022 and 2027	55
Metal feedstock use by alloy 2022 and 2027	56
Metal material use by alloy and industry 2022 and 2027	58
Metal AM degree of industrialization	60
Purpose of metal parts.....	60
Metal system utilization	61
Polymer AM market size	63
Polymer market size and growth 2022 and 2027.....	64
Polymer system market growth 2022 and 2027 – supplier vs. buyer	65

Polymer AM sold units 2022 and 2027 – supplier vs. buyer.....	66
Market comparison with Injection Molding.....	68
Polymer AM market by region.....	69
Regional polymer market of buyers 2022 and 2027.....	69
Regional market of polymer system sales 2022 and 2027.....	71
Regional market of polymer system sales by countries 2022 and 2027.....	73
Location of polymer system suppliers by technology 2022 and 2027.....	74
Polymer part manufacturing supplier revenue by region and industry 2022 and 2027.....	75
Polymer system supplier revenue by region and industry 2022 and 2027.....	76
Polymer AM market by technology.....	77
Polymer system sales by technology 2022.....	78
Installed polymer base by technology 2022.....	80
Polymer system sales revenue by technology 2022 and 2027.....	81
Polymer system sales by technology 2022 and forecast 2027 – supplier vs. buyer.....	83
Installed base by technology 2022 and forecast 2027 - supplier vs. buyer.....	85
Sold polymer systems by unit price category 2022 and 2027.....	87
Location of suppliers of sold polymer machines 2022 and forecast 2027.....	88
Polymer AM market by industry.....	89
Polymer system sales by industry 2022.....	90
Polymer system sales by industry 2022 and 2027.....	91
Sold polymer system by industry 2022 and 2027.....	93
Installed polymer base by industry 2022 and 2027.....	95
Polymer AM market by material.....	96
Polymer feedstock use 2022 and 2027.....	97
Polymer feedstock by material and type 2022 and 2027.....	98
Polymer feedstock by material and industry 2022 and 2027.....	99
Polymer AM degree of industrialization.....	102
Purpose of polymer AM parts.....	102
Polymer system utilization.....	103
Metal AM technology report.....	105
Technology overview.....	105
Metal AM Maturity Index.....	106
Current metal machine and technology developments.....	107
Polymer AM technology report.....	110
Technology overview.....	110
Polymer AM Maturity Index.....	111
Current polymer machine and technology developments.....	112
Developments and innovations in AM software.....	114
AM software innovations in 2023.....	114
Online databases.....	116
Supplier databases for system, material and part manufacturing suppliers.....	116
Part application catalogue.....	117
The investor’s view on 2022.....	119
Investment news of 2022.....	119
Regional reports.....	127
AMER – North America.....	127
AMER – Brazil.....	128
APAC - Australia.....	129
APAC – China.....	130
APAC – Japan.....	131
EMEA – Benelux.....	132
EMEA - France.....	133
EMEA - Germany.....	135
EMEA – Israel.....	137
EMEA – Middle East.....	139
EMEA – Nordics.....	140
EMEA – United Kingdom.....	142
EMEA – R&D in Europe.....	143
The AMPOWER Report team.....	146

About the authors.....	146
International contributors and partners.....	147
About AMPOWER.....	151
Legal disclaimer.....	151

Table of figures

Figure 1 AMPOWER Report 2023 - Distribution of respondents by company revenue.....	12
Figure 2 AMPOWER Report 2023: Distribution of respondents' region	13
Figure 3 Global metal and polymer Additive Manufacturing market 2020 to 2022 and supplier forecast 2027 [EUR billion].....	18
Figure 4 Regional distribution of metal and polymer system sales revenue 2022	19
Figure 5 Metal and polymer system sales revenue by industry 2022	20
Figure 6 Metal and polymer system sales revenue by technology 2022 and supplier forecast 2027	21
Figure 7 Metal Additive Manufacturing market 2016 to 2022 and supplier forecast 2027 [EUR billion]	24
Figure 8 Metal Additive Manufacturing systems market 2016 to 2022 and supplier vs. buyer forecast 2027 [EUR billion].....	25
Figure 9 Annual metal system sales 2019 to 2022 and forecast 2027 [units]	26
Figure 10 Metal system installed base 2019 to 2022 and supplier vs. buyer forecast 2027 [units]	27
Figure 11 Metal AM vs CNC system market 2022 and supplier forecast 2027 [EUR billion]	28
Figure 12 Regional distribution of metal system, material and part manufacturing supplier sales revenue 2019 to 2022 and supplier forecast 2027 [EUR billion].....	30
Figure 13 Regional distribution of metal system, material and part manufacturing supplier sales revenue share 2022 and supplier forecast 2027	30
Figure 14 Regional distribution of metal system sales revenue 2022 and supplier forecast 2027 [EUR billion].....	32
Figure 15 Global distribution of metal system sales revenue 2022 and supplier forecast 2027	33
Figure 16 Location of metal system suppliers by sold systems and technology 2022 and supplier forecast 2027 [units]	34
Figure 17 Location of metal system suppliers of installed PBF machines 2020 to 2022 and supplier forecast 2027 [units]	35
Figure 18 Metal part manufacturing supplier revenue in AMER and EMEA by industry 2020 to 2022 and forecast 2027 [EUR million].....	36
Figure 19 Metal system sales by technology 2019 to 2022 [units].....	38
Figure 20 Number of metal system supplier companies by technology 2020 to 2022.....	39
Figure 21 Installed metal system base by technology 2022 [units].....	40
Figure 22 Metal system sales revenue by technology 2019 to 2022 and supplier forecast 2027 [EUR billion].....	41
Figure 23 Metal system sales by technology 2019 to 2022 and supplier vs. buyer forecast 2027 [units]	42
Figure 24 Metal system sales by technology 2022 and supplier vs. buyer forecast 2027 – share of units.....	43
Figure 25 Trend of metal PBF system sales 2018 to 2027 - supplier vs. buyer forecast [units].....	43
Figure 26 Installed base by metal technology 2022 and supplier vs. buyer forecast 2027 [units]	44
Figure 27 Installed base by metal technology 2022 and supplier vs. buyer forecast 2027 – share of units.....	45
Figure 28 Distribution of sales by L-PBF platform size from 2021 to 2022 and supplier vs. buyer forecast 2027	46
Figure 29 Share of lasers per sold Powder Bed Fusion machine from 2021 to 2022 and supplier vs. buyer forecast 2027	47
Figure 30 Metal system sales revenue by industry 2022 [EUR billion].....	48
Figure 31 Metal system sales revenue by industry 2022 and supplier forecast 2027 [EUR million].....	49
Figure 32 Metal system sales revenue by industry 2022 and supplier forecast 2027 - share of sales revenue	50
Figure 33 Sold metal systems by industry 2021 to 2022 [units]	51
Figure 34 Installed base of metal systems by industry 2020 to 2022 and supplier forecast 2027 [units]	52
Figure 35 Metal feedstock consumption 2019 to 2022 and forecast 2027 [ton]	54
Figure 36 Metal feedstock revenue 2019 to 2022 and forecast 2027 [EUR billion].....	55
Figure 37 Metal feedstock consumption by alloy 2020 to 2022 and forecast 2027 [ton].....	56

Figure 38 Distribution of alloys by weight of total feedstock consumption 2020 to 2022 and forecast 2027	57
Figure 39 Metal feedstock consumption by alloy and industry 2022 and forecast 2027 [ton]	59
Figure 40 Application category of printed metal parts 2018 to 2022 and forecast 2027	60
Figure 41 Average metal system utilization 2019 to 2022	61
Figure 42 Polymer Additive Manufacturing market 2020 to 2022 and supplier forecast 2027 [EUR billion]	64
Figure 43 Polymer Additive Manufacturing systems market 2020 to 2022 and supplier vs. buyer forecast 2027 [EUR billion].....	65
Figure 44 Annual industrial polymer system sales in 2022 and supplier vs. buyer forecast 2027 [units]	66
Figure 45 Industrial polymer system installed base 2020 to 2022 and supplier vs. buyer forecast 2027 [units thousand]	67
Figure 46 Polymer AM system vs Injection Molding system market 2022 and supplier forecast 2027 [EUR billion]	68
Figure 47 Regional distribution of polymer system, material and part manufacturing supplier sales revenue 2020 to 2022 and supplier forecast 2027 [EUR billion].....	70
Figure 48 Regional distribution of polymer system, material and part manufacturing supplier sales revenue share 2022 and supplier forecast 2027	70
Figure 49 Regional distribution of industrial polymer system sales revenue 2022 and supplier forecast 2027 [EUR billion].....	72
Figure 50 Global distribution of buyers by industrial polymer system sales revenue 2022 and supplier forecast 2027	73
Figure 51 Location of industrial polymer system suppliers by sold systems and technology 2022 and supplier forecast 2027 [units].....	74
Figure 52 Polymer part manufacturing supplier revenue by region and industry 2022 and forecast 2027 [EUR million]	75
Figure 53 Polymer system supplier revenue by region and industry 2022 and forecast 2027 [EUR million]	76
Figure 54 Polymer system sales by technology 2022 [units]	78
Figure 55 Number of industrial polymer system supplier companies by technology 2021 to 2022.....	79
Figure 56 Installed industrial polymer machine base by technology 2022 [units].....	80
Figure 57 Industrial polymer system sales revenue by technology 2021 to 2022 and supplier forecast 2027 [EUR billion].....	81
Figure 58 Industrial polymer system sales by technology 2021 to 2022 and supplier vs. buyer forecast 2027 [units]	83
Figure 59 Industrial polymer system sales by technology 2022 and supplier vs. buyer forecast 2027 – share of units.....	84
Figure 60 Installed base by polymer technology 2022 and supplier vs. buyer forecast 2027 [units]	85
Figure 61 Installed base by polymer technology 2022 and supplier vs. buyer forecast 2027 – share of units.....	86
Figure 62 Sold industrial polymer systems by unit price category in 2022 and supplier forecast 2027 [units].....	87
Figure 63 Location of suppliers of sold polymer machines 2022 and supplier forecast 2027 [units]	88
Figure 64 Industrial polymer system sales revenue by industry 2022 [EUR billion].....	90
Figure 65 Polymer system sales revenue by industry 2021 and 2022 and supplier forecast 2027 [EUR million]	91
Figure 66 Polymer system sales revenue by industry 2022 and supplier forecast 2027 - share of sales revenue	92
Figure 67 Sold industrial polymer systems by industry 2021 to 2022 and supplier forecast 2027 [units]	93
Figure 68 Distribution of sold industrial polymer systems by industry and technology in 2022 [share of units]	94
Figure 69 Installed base of industrial polymer systems by industry 2022 and supplier forecast 2027 [units].....	95
Figure 70 Polymer feedstock consumption 2022 and forecast 2027 [ton]	97
Figure 71 Polymer feedstock consumption by material and type 2022 and forecast 2027 [ton]	98
Figure 72 Thermoplastic feedstock consumption by industry and type 2022 and forecast 2027 [ton]	100
Figure 73 Thermoset feedstock consumption by industry and type 2022 and forecast 2027 [ton]	101
Figure 74 Application category of printed parts 2021 to 2022 and forecast 2027.....	102
Figure 75 Average industrial polymer system utilization by industry 2022	103
